**Re: *In re: Crude Oil Commodity Futures Litigation, Master File No. 11 Civ. 3600***

Dear Judge Forrest:

We are counsel to Defendants Parnon Energy Inc., Arcadia Petroleum Ltd., Arcadia Energy (Suisse) S.A., Nicholas J. Wildgoose and James T. Dyer. On April 8, 2015, in response to the Court's request for copies of certain references cited by the parties and their experts, counsel for Plaintiffs submitted three documents. One of the documents, the Reference Guide on Multiple Regression, was mistakenly taken from the Second Edition of the Reference Manual on Scientific Evidence, published in 2000. Both Defendants' expert (Dr. Shehadeh) in his reports, and Plaintiffs' counsel in their briefing, cited to the Reference Guide on Multiple Regression contained in the Third Edition of the Reference Manual on Scientific Evidence, published in 2011. Defendants attach here a copy of relevant excerpts from the Third Edition, and will submit an electronic version to chambers.

Respectfully yours,

*/s/ Timothy J. Carey*
